Human Assisted Reproductive Technology Bill	69
<b>2.2 Genetic modification and the precautionary approach</b>	<b>70</b>
Introduction	70
Current status in the international context	70
New Zealand use of the principle	75
Elements of the principle at issue	76
References and further information	77
<b>2.3 Genetic modification technology and its use in New Zealand</b>	<b>78</b>
Introduction	78
Basic techniques of genetic modification technology	79
DNA fragmentation	79
Recombination	80
Transformation	80
Selection	81
Cloning	81
DNA libraries	81
Identification	82
Sequencing	82
Restriction mapping	82
Insertional mutagenesis (tagging)	83
DNA injection	83
Knockout technology and homologous recombination	83

How long have genetic modification techniques been used in New Zealand?	84
Use of genetic modification in New Zealand	84
Animals	85
Plants	89
Medical applications	92
Pure research and teaching	96
Food	97
Funding of genetic modification research	97
References and further information	99
3. Processes of the Commission	102
3.1 Establishment of the Commission	103
Introduction	103
Establishing the Commission	103
The Warrant	104
Appointments	104
Commissioners	104
Counsel Assisting	105
Liaison Officer	105
Secretariat	105
Commission location	106
Planning the inquiry	106
Background papers	106
Consultation programme	107
Web site	107
3.2 Scoping Meetings: the process	109
Introduction	109
Information for participants	110
Forms of participation	110
Direct participation	111
Online participation	111
Mechanisms of participation	111
Topics, issues and questions	112
“Consensus card sort” process	112
Online contribution mechanism	113
3.3 Formal Hearings: the process	114
Introduction	114
Regulatory requirements regarding consultation process	114
Commission interpretation of regulatory requirements	115
Establishing the consultation programme	116
Application process for Interested Person status	117
Establishing the Formal Hearings procedure	118
Notification of Formal Hearing process	119

Additional notification of Formal Hearing process	120
Interested Person written submission process	120
Formal Hearings venues, dates and times	121
Presentations in Maori	122
Evidence recording	122
Public and media attendance	122
Summary of the Formal Hearings	122
Opening statements by the Commission and its legal counsel	122
Oral presentation of submissions	123
Cross-examination of Interested Persons	124
Additional hearings	124
New and rebuttal evidence	124
Closing and legal submissions	125
Conclusion	126
<b>3.4 Public Meetings: the process</b>	<b>127</b>
Introduction	127
Regulatory requirements regarding consultation	127
Interpretation of consultation requirements	128
Establishing a public consultation programme	129
Establishing the Public Meeting programme	129
Location	130
Dates and times	131
Venues	131
Programme	131
Commission staff involved in public meetings	135
Recording of attendees and proceedings	135
Advertising and publicity of public meetings	135
Media coverage	136
A summary of the proceedings	136
Attendance	137
Modifications to workshop programme	138
<b>3.5 Public Submissions: the process</b>	<b>140</b>
Introduction	140
Establishing the process	140
Invitation to make submissions	141
Submission guidelines	142
Receipt of submissions	142
Conclusion	143
<b>3.6 Maori Consultation programme: the process</b>	<b>144</b>
Introduction	144
Establishing the Maori Consultation Programme	145
Initial hui	145
Maori Consultation programme organisation	145

	Advertising and publicity of Maori Consultation programme	146
	Workshops	146
	Regional Hui	147
	National Hui	148
3.7	Youth Forum: the process	149
	Introduction	149
	Establishing the forum	149
	Venue	149
	Date and time	149
	Publicity and advertising	150
	Registration	150
	Programme of the event	150
	Recording the event	152
	Attendance at the event	152
	Competition winners	152
	Participants	152
	Assessing the event	152
3.8	Public Opinion Survey: the process	154
	Introduction and objectives	154
	Method	155
4.	Operational detail	156
4.1	Terms of reference (the Warrant)	157
	The Warrant in Māori	162
4.2	Schedule of Formal Hearings	168
	Schedule of Formal Hearings and Persons appearing before the Commission	168
	Formal Hearings (weeks 1–12)	168
	Additional Hearings	182
	Rebuttal and New Evidence	183
	Closing and Legal Submissions	183
4.3	Public Meetings programme	185
	Schedule of Public Meetings	185
4.4	Maori Consultation programme	187
	Schedule of workshops and Hui	187
4.5	Background papers and authors	190
	List of papers and their authors	190
	Current uses	190
	Legal aspects	191
	Ethical issues	191
	Public perceptions	191

	Maori aspects	191
	Environmental aspects	192
	Economics	192
	Human health aspects	193
	The international aspects of genetic modification	193
4.6	<b>Commission members</b>	194
	Thomas Eichelbaum	194
	Richard Randerson	194
	Jean Fleming	195
	Jacqueline Allan	196
4.7	<b>Commission establishment</b>	197
	Management	197
	Kaumatua	197
	Counsel assisting the Commission	197
	Core secretariat/Executive	197
	Analysis and research	197
	Administration and support	198
	Communications and Editorial	199
5.	<b>Glossaries</b>	200
5.1	Glossary of technical terms	201
5.2	Glossary of Maori terms	220
5.3	Abbreviations	221
	Index	225
